The Department applies the definitions and procedures set forth in these rules to recoveries and claims made pursuant to ORS 411.708, 411.795, 416.310, 416.340, and 416.350.

- (1) "Assets" means all income and resources of an individual, including any income or resources that an individual is entitled to at the time of death, including any income or resources to which the individual is entitled, but does not receive, because of action: by the individual; the individual's *spouse* (see OAR [461-001-0000](#)); by a person, including a court or administrative body with legal authority to act in place of or on behalf of the individual; or by any person, including any court or administrative body, acting at the direction or upon the request of the individual.
- (2) "Assign" means a *person* who acquires an interest in *real* or *personal property* or an *asset* pursuant to a written or oral assignment of such *real* or *personal property* or *asset* from a *person* with the legal right to assign it.

The fractional share is not based on the dollar amount of contribution compared to the current market value of the property. For example, if one co-owner contributed \$2,500 and the other \$7,500 to the purchase price of a \$10,000 property in 1960; in 1995, the property is appraised at \$50,000.
